

## ELECTRIC TIME GOLF CLUB CLOCKS

Long Cove Club - Hilton Head Island, SC

## Book Your Golf Course Clock

From the historic Greenbrier to the breathtaking vistas of Pebble Beach, Electric Time Company has provided post clocks to the most iconic golf clubs imaginable. Golf courses world-wide enjoy the elegance and practicality of Electric Time's Two Dial and Four Dial Street Clocks.

Waiting for your tee time? Check the Electric Time golf course clock. Our outdoor clocks can be found at the first tee, at the clubhouse or simply on the golf range. We take special pride in the accuracy and dependability of the clocks. Enjoy another round — you have time!

Looking to honor a long-time member of the golf club or thank your club's golf pro? Cast bronze dedication plaques can be added to the clock posts. A golf course clock is the perfect way to leave a lasting legacy.

Sturdy cast aluminum is used for both the Two Dial Post Clocks and the Four Dial Post Clocks. No power at the site? No problem. Electric Time clocks are available in electric and battery versions. Follow the lead of the most prestigious golf organizations — be it a public or private course, use an Electric Time

Company golf course clock on your property.

Need a tower clock for your clubhouse or pro shop? Electric Time Company can help you choose the correct style and size for your building. Customize a standard design or create one from scratch. Either way you will have a high quality, custom timepiece to enhance your golf club.

Contact Electric Time for pricing, drawings, and design assistance.

## AVAILABLE POST CLOCK DESIGNS

Electric Time Company's Post Clocks are a beautiful architectural feature in small or large open spaces or in areas with multiple site lines. Our fully equipped Post Clocks are perfect for many uses, particularly on golf courses. The Clocks are quite useful at the first tee – to remind you of your tee time!

Any of our clocks can be customized for your Club – we offer raised aluminum lettering, logos, custom colors, etc. Our engineers will prepare a drawing for your approval prior to manufacturing the clock. When selecting a design please keep in mind your site lines and viewing distances, as well as dial size, total height, and features.

A Post Clock Price List is available for your perusal. Additional standard designs, as well as custom post clocks, are available. Please inquire.
